

Licensing

To access the *Licensing* page, select the avatar in the top right corner, choose **Settings** and select **Licensing** on the left (Figure 1). This page can be accessed by administrative Partek Flow users only.

This page displays the status of all license features and toolkits, including their expiration dates. If a license needs to be updated, copy and paste the new license key into the *License key* box and select the **Update** button. For your convenience, the *Partek product* and *Host ID* information is displayed on the screen. If you need a new license key, this information can be copied and sent to licensing@partek.com.

For additional information about the licensing features and toolkits, please see [here](#). Alternatively, please contact your account manager.
