## **Linux Installation**

This guide is specific to the installation of Partek Genomics Suite software on a Linux operating system.

- 1. Download the latest Linux version of Partek Genomics Suite.
- 2. Click on Download under the Linux session and save/open the file. Extract on you preferred folder and remember its location.

(	Opening partekgs-LINUX64.tar.gz	8	Extract		partekgs-L	.INUX64.tar. <u>c</u>	gz [read only]	Q = (	
You have chosen t	o open:			🔂 Locati	on: 🛅 /

Operating System	LINUX 4.13.0-43-0EHEII0				
Operating System	Linux 4.15.0-45-generic				

8. If you do not have a license, please contact licensing@partek.com.

• Be sure to click on the "Copy Information" button under the "Computer information" section of this window to paste the information into the email to licensing@partek.com.

9. If you have a license, click on the "+ Add License" button.

- 10. The Partek License Manager Add License window will appear.
- 11. Select the "License server" radio button and fill the "Server Name" with the "Host Name" that you copied from the "Computer information" section.
- 12. Select "Add".

11. After adding the license, the Partek License Manager window will reappear. Select "Validate Licenses" and the license information will show up on your window.

(empty)	TERMS AND CONDITIONS		-					
	Subject to the following terms and conditions in this Standard End-User License Agreement (the Agreement), Partek Incorporated (Partek) grants to the Customer identified in Partek Genomics Suite System Information Agreement for New Customers (hereinafter referred to as Licensee) and Licensee hereby accepts a license to use the computer Software identified in the Schedule A attached hereto, including Updates and Documentation, as defined herein. In the event of any inconsistency between the subject matter of Schedule A and the Agreement, the provisions of the Agreement shall lake precedence provided that Schedule A does not specifically identify a provision in the Agreement that it is modifying, In which case for that identified provision solely, the modified provision in Schedule A shall govern.							
	WITNESSETH:							
	WHEREAS, Licensee desires to obtain from Partek a non-exclusive, non-transferable, non-assignable right to use Partek's proprietary software, documentation, and information (as respectively described in Section 1 below); and							
	WHEREAS, Partek is willing to grant Licensee a non-exclusive, non-transferable, non-assignable license to use Partek's proprietary software, documentation and information solely for such limited purposes subject to the terms, conditions and provisions of this Agreement.							
	NOW, THEREFORE, in consideration of the mutual premises and the respective promises and obligations of the parties set forth herein, the parties, intending to be legally bound, agree as follows:							
	DEFINITIONS. For purposes of this Agreement: (a) The term Software shall mean Parteks proprietary software including but not limited to Partek® Genomics SuiteTM, Partek® Discovery SuiteTM, Partek® QSAR SolutionTM, Partek® Screening SolutionTM, and Partek® ExpressTM, and user manuals distributed as a unit therewith. (b) The term "Documentation" shall mean all specifications and other supporting
